

RENTAL CATALOG

EVERYTHING YOU NEED FOR YOUR PRODUCTION - RENTAL SERVICE FROM FREAKS 4U GAMING

Freaks 4U Gaming takes your productions to the next level with a customized rental service. Whether for live events, broadcasts, esports tournaments or content productions - we have everything you need:

- A comprehensive rental range for camera, video, lighting and audio technology, including accessories
- A wide range that covers even the largest productions
- Rental of decorative elements, set props and other production equipment
- Provision of experienced personnel for live productions and additional services

For large productions, every detail counts - and we provide you with the reliable technology and support you need.

Our rental service offers you state-of-the-art cameras, lenses, video equipment, lighting and a wide range of accessories from leading brands.

We also offer an extensive range of decorative and set props to add the finishing touches to your project: Our first-class service accompanies you from planning to implementation. We not only provide you with the equipment, but also trained personnel to ensure that your live production runs smoothly. Are you planning a new production?

Get in touch with us - together we will put together the perfect equipment and service package for your project

Write us an e-mail to: rental@freaks4u.de
